Dear Club Safeguarding Officer

I am pleased to announce that the next Lancashire CSO conference will be held on Saturday 21st September 2019 at Waterloo RUFC.

It is hoped that you will be able to attend along with any deputy or assistant CSO that may be in place at your club.

Mini & Junior Chairpersons, or other officers from your club, may also be invited. Please indicate on an RSVP email if you are able to attend, will be bringing other officers or will be sending representatives from your club.

The agenda has to be 100% confirmed, but once confirmed I will send conference agenda out.

As in previous years the presentations and guest speakers will be of great interest, varied and will support you in the role of club safeguarding officer.

As well as offering something slightly different but interesting in relation to Safeguarding.

The last part of the afternoon session will be delivery of an "IN TOUCH" course for those of you new to the role or those who require refresher training. This has to be booked via the RFU web site as per usual course booking requirements.
