

After last week's Trial at Wigan RUFC for this seasons Royals Squad the Management Team are pleased to announce the following selected squad detailed below.

Royals Team Manager Richard Buckley said "Again we had a really good turnout of players from our eligible Clubs and again we see three more of our Clubs represented in the Squad for the first time."

Lancashire's Director of Rugby Development Howard Hughes added. "It never ceases to amaze me just how much talent we have at the lower Levels of our game in the county. The Trial was a high-tempo affair with all the lads on show putting in a shift and making it difficult to select a squad which is exactly what we wanted to see. I was very pleased that again more Clubs bought into the Royals ethos with players from 19 Clubs taking part in the Trial."

The Royals will play 3 games against, Cheshire Harvesters, Anti-Assassins and Eastern Counties Wanderers over the course of the season.

The Royals will be Coached by ex-Scotland International Martin Scott assisted by Mark Stephenson (Forwards) and Chris Marsh (Backs). Details on the Fixture Dates will be posted shortly.
