The U16 finals have been scheduled on the first available date, so as to have minimal disruption ahead of their forthcoming examinations.

TEAMS ARRIVING

Teams to arrive at the ground no more than one hour before the scheduled kick off.

Each team will be allocated a changing room. **Schools will be responsible for their own valuables as changing rooms will not be locked.**

I would ask that schools have a change strip in case of a colour clash.

Please warm up on the training pitches only.

SAFETY OF SPECTATORS

Spectators will be asked to stand behind the coloured lines/barriers at the side of the pitch for the safety of the boys playing and for the spectators themselves. Spectators are asked to respect the five cores values of rugby.

CATERING

The boys and officials from each team will receive a meal ticket to be presented at the catering area for their meal. **25 tickets per team**

There will be catering and bar facilities available for parents and supporters.

FIRST AID

There will be a physiotherapist available at the club, however, schools should administer their own minor first aid problems to their own boys.

COACH PARKING

All coaches & minibuses can be parked in the main carpark at Fylde RFC.

ADMISSION & PROGRAMMES

There will be no Admission charge to the finals on this occasion. Programmes £1

Please let all your parents and supporters know of these arrangements.

Good luck to all teams
