Please txt results/ outcomes in on the day of the game and all match cards by 6pm Monday, even if games are off we still need to know.

Some teams have been playing too and reporting beyond a 30pt margin, this is against the Competition rules,(which should be read by all teams) and development games restarted with even sides after 30pts difference reached. Sides playing past this 30 pt margin(without forming development games) have been and will be subject to disciplinary action. You do not need to report the result of the development game.
