**Welcome from the President of Lancashire County RFU**

To each and every person  
here today, welcome.

As the second female  
President of Lancashire  
Rugby, it is my great honour  
and with pride I write this  
welcome and thank you for  
your attendance.

Having been involved at my  
home club, watching my two sons progress from the  
Under 5's through to club, county and country  
representative rugby as adults, I feel humbled and  
privileged to have been involved in many aspects of  
Rugby Union. Taking up the position a County  
President is indeed one of the greatest honours and  
one I am delighted to have accepted.

My passion as many know is as County Safeguarding  
Manager a position I have held for 29 years and am  
very proud to do so. I was asked upon appointment as  
President for 2023-2024 who would be taking over as  
CBSM ... needless to say I replied 'no one' as I wanted  
to undertake both. My commitment to Lancashire  
Rugby and all our clubs will, I hope be a continuing  
story.

Whether player spectator official or visitor I thank you  
for your support and encouragement of this beautiful  
game and our Lancashire county.

Thank you also to Broughton Park RUFC for hosting  
and facilitating this match today.

I wish the players a safe and enjoyable match played  
in the true spirit of the game. The same too for you  
the spectators. Please be positive in your praise of  
players and the referees alike.

Cont.....

## Presidents Welcome cont.

I wish to acknowledge and thank most sincerely the many volunteers who work tirelessly behind the scenes at rugby clubs and in Lancashire and indeed throughout the RFU for their unstinting commitment and passion. For their time and energies committing to many many hours of dedication, from the under 5's coach through to first team managers and coaches at our highest ranked clubs, to the groundskeepers and persons who run the facilities which allow the games and training to occur

The tireless work of our valued volunteers is sometimes taken for granted, their commitment is a given and only when we look in depth and consider what occurs on weekly basis within our rugby clubs and at County level can we truly realise how lucky we are. If you haven't thanked a coach, manager volunteer, club official or supporter lately, may I urge you to do so. We all thrive and need thanks occasionally. A pat on the back or thank you goes along way to feeling appreciated.

I would also like to celebrate and acknowledge the commitment of Mr Robbie Briers the current RFU President for all his tireless years of support and work on behalf of Lancashire and England Rugby. I am extremely proud to know you Robbie and learn from your vast knowledge and experience. A proud Lancastrian and stalwart of the game who is proud of his Lancastrian roots.

Lancashire Rugby has a history, tradition and legacy that is respected by many. May we all strive to support and continue with this in Lancashire rugby.

Thank you and Enjoy your day.

Carol Baker.
