Welcome from the President of Lancashire County RFU

To each and every person here today, welcome.

As the second female President of Lancashire Rugby, it is my great honour and with pride I write this welcome and thank you for your attendance.

Having been involved at my home club, watching my two sons progress from the Under 5's through to club, county and country representative rugby as adults, I feel humbled and privileged to have been involved in many aspects of Rugby Union. Taking up the position a County President is indeed one of the greatest honours and one I am delighted to have accepted.

My passion as many know is as County Safeguarding Manager a position I have held for 29 years and am very proud to do so. I was asked upon appointment as President for 2023-2024 who would be taking over as CBSM ... needless to say I replied 'no one' as I wanted to undertake both. My commitment to Lancashire Rugby and all our clubs will, I hope be a continuing story.

Whether player spectator official or visitor I thank you for your support and encouragement of this beautiful game and our Lancashire county.

Thank you also to Trafford MV RFCC for hosting and facilitating this match today.

I wish the players a safe and enjoyable match played in the true spirit of the game. The same too for you the spectators. Please be positive in your praise of players and the referees alike.

Presidents Welcome cont.

I wish to acknowledge and thank most sincerely the many volunteers who work tirelessly behind the scenes at rugby clubs and in Lancashire and indeed throughout the RFU for their unstinting commitment and passion. For their time and energies committing to many many hours of dedication, from the under 5's coach through to first team managers and coaches at our highest ranked clubs, to the groundskeepers and persons who run the facilities which allow the games and training to occur

The tireless work of our valued volunteers is sometimes taken for granted, their commitment is a given and only when we look in depth and consider what occurs on weekly basis within our rugby clubs and at County level can we truly realise how lucky we are. If you haven't thanked a coach, manager volunteer, club official or supporter lately, may I urge you to do so. We all thrive and need thanks occasionally. A pat on the back or thank you goes along way to feeling appreciated.

I would also like to celebrate and acknowledge the commitment of Mr Robbie Briers the current RFU President for all his tireless years of support and work on behalf of Lancashire and England Rugby. I am extremely proud to know you Robbie and learn from your vast knowledge and experience. A proud Lancastrian and stalwart of the game who is proud of his Lancastrian roots.

Lancashire Rugby has a history, tradition and legacy that is respected by many. May we all strive to support and continue with this in Lancashire rugby.

Thank you and Enjoy your day.

Carol Baker.

The image shows the Lancashire County Council logo, which is a shield-shaped emblem. The shield is white with a dark blue border and is set against a background of red and white diagonal stripes. Inside the shield, there is a stylized flower with a purple outer ring, a red inner ring, and a yellow center. The flower is on a brown stem with two large green leaves. A yellow horizontal banner across the middle of the shield contains the word "LANCASHIRE" in bold, black, uppercase letters.
