Welcome from the President of Lancashire County RFU

Hello and Welcome to this tri-match festival of Under 18's Girls representative Rugby

As President of Lancashire Rugby, it is my great honour and with pride I write this welcome and thank you for your attendance.

I feel humbled and privileged to have been involved in many aspects of Rugby Union for nearly 30 years and taking up the position of County President this season is indeed one of the greatest honours and one I am delighted to have accepted.

Lancashire County Rugby are pleased to welcome county teams from Cumbria and Durham to Preston Grasshoppers today for this tri-match fixture.

Representing your home county, playing with pride and wearing your county's rugby shirt is indeed a great honour and one to which many players female and male aspire.

Though not all applicants for county representation are successful; so sincere congratulations to each and every member of the squads here today. Very many

Congratulations and well done on your selection.

I wish the players a safe and enjoyable match played in the true spirit of the game. The same too for you, the spectators. Please be positive in your praise of players, referees and officials alike.

I wish to acknowledge and thank most sincerely the many volunteers who work tirelessly behind the scenes at rugby clubs and in Lancashire and other County Constituent Bodies and indeed those throughout the England Union for their unstinting commitment and passion. For their time and energies committing to many many hours of dedication; from the under 5's coach to

through to first team managers and coaches at our highest ranked clubs, to the groundskeepers and persons who run the facilities which allow the games and training to occur.

Thank you also to you the parents, families and guardians who support their children , driving to training sessions, many different rugby clubs and fixtures, county matches and supporting these young people , allowing them to experience the wonderful game of rugby union and all its facets.

Thanks are extended today to Preston Grasshoppers for facilitating these matches today. This is indeed a special club to play at.

Thanks also to the Officials , coaches and managers , physios and staff all who help train and manage and keep safe the young ladies playing in the Lancashire, Durham and Cumbria squads today.

Special thanks to Kate Bennetta and James Wright from Lancashire who have managed, selected and trained the Lancashire girls today along with their able assistants; pulled together training , selection and matches in very short time frames. Your hard work and commitment like so many others within Lancashire Rugby is very much appreciated.

The tireless work of our valued volunteers is sometimes taken for granted , their commitment is a given and only when we look in depth and consider what occurs on weekly basis within our rugby clubs and at County level can we truly realise how lucky we are.

If you haven't thanked a coach, manager volunteer , club official or supporter lately, may I urge you to do so. We all thrive and need thanks occasionally. A pat on the back or thank you goes along way to feeling appreciated.

I would also like to celebrate acknowledge the commitment of Mr Robbie Briers the current RFU President for all his tireless years of support and work on behalf of Lancashire and England Rugby . I am extremely proud know you Robbie and learn from your vast knowledge and experience . A proud Lancastrian and stalwart of the game who is proud of his Lancastrian roots.

Lancashire Rugby has a history , tradition and legacy that is respected by many

May we all strive to support and continue with this in Lancashire rugby

Enjoy your day

Thank You

Carol Baker
