Welcome from the President of Lancashire County RFU

It gives me great pleasure on behalf of Lancashire County RFU to welcome you to Liverpool St Helens FC today.

I welcome you whether you are attending as a player, coach, manager, or supporter. I hope you have an enjoyable day.

I am sure that all the players who have represented their respective counties are rightly proud to have achieved this honour. Representative rugby is a major step for young players.

On behalf of the County, I would like to thank Liverpool St Helens FC for hosting the match today. I realise how much hard work and organisation goes into hosting the fixture. We appreciate the hard work of staff and much valued volunteers.

I would like to thank today's match officials. Messrs Tweddle, Pemberton and Crawford. Their role today is essential in assuring that the match is played in a fair manner.

Please remember the core values of our game.

TEAMWORK, RESPECT, ENJOYMENT, DISCIPLINE and SPORTSMANSHIP.

Managers Word

We would like to welcome today's opposition Cheshire u20s to Moss Lane, for what is sure to be a tough encounter. The previous fixtures have always

been tough, well fought games of rugby.

Following what can only be described as a difficult trip to Northumberland we are looking for a response from the team.

Injuries and holidays are necessitating the use of all our squad, we are sure players making their debuts won't disappoint.

As always I would like to thank the coaches for their tireless work in preparing the boys. I would like to personally thank Neil Ryan for his work with the Lancashire 20s as backs coach as he moves on to take a role with the North under 20s. It has been a pleasure to work with you over the years and I am sure all the players you have coached would say the same.

Thank you to Liverpool St Helens for hosting today's fixtures which I am sure will be a great game of u20s country championship rugby.

I would like to welcome and thank the referee and his ARs as without them there can't be a game.

‘Always there to lend a Cauliflower Ear’

***Mental Health & Emotional Wellbeing support campaign
provided by Lancashire County RFU***

Mental health & emotional wellbeing issues affect, directly or indirectly, many people. It is estimated that 1 in 4 people in the UK will experience a mental health problem each year and 1 in 6 people in the past week experienced a common mental problem!!

That’s just over 2 players in your team! Yet, your teammates facing these challenges can face stigmatisation and discrimination leading to a reluctance to reach out for timely support.

The Cauliflower Ear is a rugby club-based campaign, created & funded by Lancashire County RFU, aimed at increasing awareness of mental health & emotional wellbeing issues within clubs and providing support as needed.

Bespoke artwork posters displayed prominently in clubs will provide a focal point to raise consciousness and provoke positive conversations around mental health & emotional wellbeing. The artwork will be changed throughout the season to maintain a freshness and continue the conversation. It carries the contact details for professional support with counsellors put in place & funded by Lancashire County RFU to support the members of its constituent clubs.

Alongside this, the aim is for each club will have a mental health champion specifically trained in mental health awareness and who is knowledgeable of services available so they can signpost people requiring support in the right direction.

You don’t need to be a trained health care professional to care.

You don’t need to be a trained health care professional to have a conversation.
