## Welcome from the President of Lancashire County RFU

On behalf of Lancashire Rugby Football Union it gives me great pleasure to welcome both Crosby St Mary's College and Lancaster Royal Grammar School this evening.

It is a tremendous honour for any rugby player to play in a prestigious final as this. Congratulations to all the players, on both teams, for deserving this wonderful privilege.

Whether you're a player, coach, manager, match official or supporter I hope you enjoy a convivial welcome and a memorable day.

I would like to thank Fylde Rugby Club for hosting today's fixture as we realise how much hard work goes on behind the scenes to hold a fixture of this kind. To the staff, and much valued volunteers, your support is greatly appreciated.

Sincere thanks must also go to the referee, Matt Turvey who will work so hard to ensure we all enjoy the game.

I hope you all have an enjoyable afternoon and I would like to send you very best wishes for the rest of the season.

Gill Burns MBE  
President

### Sustainability.

As a County we print over 6000 programmes per season with a minimum of over 300kg of paper used.

We hope this experimental e-programme will go a small way to offsetting our carbon footprint and may start a revolution.

Mark Downs. Hon-Secretary

# *‘Always there to lend a Cauliflower Ear’*

*Mental Health & Emotional Wellbeing support campaign  
provided by Lancashire County RFU*

Mental health & emotional wellbeing issues affect, directly or indirectly, many people. It is estimated that 1 in 4 people in the UK will experience a mental health problem each year and 1 in 6 people in the past week experienced a common mental problem!!

That’s just over 2 players in your team! Yet, your teammates facing these challenges can face stigmatisation and discrimination leading to a reluctance to reach out for timely support.

The Cauliflower Ear is a rugby club-based campaign, created & funded by Lancashire County RFU, aimed at increasing awareness of mental health & emotional wellbeing issues within clubs and providing support as needed.

Bespoke artwork posters displayed prominently in clubs will provide a focal point to raise consciousness and provoke positive conversations around mental health & emotional wellbeing. The artwork will be changed throughout the season to maintain a freshness and continue the conversation. It carries the contact details for professional support with counsellors put in place & funded by Lancashire County RFU to support the members of its constituent clubs.

Alongside this, the aim is for each club will have a mental health champion specifically trained in mental health awareness and who is knowledgeable of services available so they can signpost people requiring support in the right direction.
