WOMEN'S COUNTY CHAMPIONSHIPS FIXTURES

2016-17

INTRODUCTION

Thank you to everyone who took part in last season's County Championship competition, especially all the players and volunteers who made it such a great success. The feedback from the pilot has been positive, with some useful lessons for the coming season.

I am pleased to announce that the regional plate competition will be expanded in 2016/17 to a national competition, this is following your feedback and the number of counties who expressed a wish to take part in a national competition.

It is the committee's intention to continue to look at the competition structures and how best to meet its objective in Season 2017/18. We will continue to strive to provide the most appropriate playing opportunities for the players.

Attached are the fixtures for next season, you will notice there has been some movement between the plate and cup. Where possible the committee has mirrored when the women's and men's teams have their home fixtures so counties have the opportunity to hold double headers. If there is disagreement between the two participating counties on when the game can be played the women's fixture should be held on the Sunday of the specified weekend.

In the following weeks we will be sending out information confirming the regulations and the financial support package available to each county together with advice on effective delivery of County matches.

To help with trials and selection, eligibility for the county remains the same as last year. If anyone has any questions about eligibility, please contact Richard Tamplin (020 8831 6761).

Thank you again and good luck for the coming season.

Helen Duggan
Chair
Women's County Championship sub-committee

Richard Tamplin
RFU Competitions
Women's CC Lead
